Care with **Compassion and Dignity**

Life can be beautiful even as we age or when we are chronically ill. These health issues we face are just part of life. When we feel overwhelmed by our medical-fragility or when we are engulfed by the increasing dependence of our family members during their old age, talk to our staff and be guided. We are **I-Care Home Healthcare** – a provider of solutions, a team that lends a hand and an extension of your family.

We are here to help you assist in your health management at home. These are the services we offer:
